Don,

We continue to use a lot of manpower to keep up with these trees on Sepulveda. We have to blow in the am and sweep again in afternoon. We are just wondering when they plan to trim the flowers. I understand the leaves will continue to fall. On Friday the bid cleans up right?

Also, we need a sidewalk clean up when you can on La Tijera, right next to Petco (also weeds in the treewells)

Some of our trash cans are rusting (we have that issue too).
